

Dear Café owner,

Following the advice of our Scientific Committee, we decided to proceed to a more thorough and targeted documentation of the Historic Cafés that participate in the "Historic Cafés Route". The completion of this project will bring multiple benefits to all of us:

- Promoting both the history and current activities of your Café through the Historic Cafés Route web-site will increase the visibility of your business to a global audience with an interest in Historic Cafés and their culture.
- You will contribute to the advancement of both the current infrastructure and the future projects of the "Historic Cafés Route".
- You will contribute to the development of scientific research on Historic Cafés.
- You will become an active member of a dynamic group of people with the aim of preserving and promoting the history and culture of Historic Cafés.

So please take some of your valuable time to complete the following questionnaire.
